SAFE RIDING RULES

- Obey ALL traffic signs and signals.** Ride your bike like you drive your car and don't run stop signs or traffic lights.
- Always ride WITH traffic.** Riding against traffic is illegal.
- Watch for car doors opening** next to on-street parking.
- Be predictable and visible.** Always signal your intentions and use lights at night.
- Make eye contact.** If you can't see the driver, they can't see you.
- Be aware of buses.** Never pass a bus on the right.
- Do not ride on the sidewalk** except when you are accessing B-Stations.
- Announce your pass** with voice or bell on bike paths.
- Protect your head** by wearing a helmet whenever possible.
